Kearney County Courthouse
Minden, Nebraska

100th Anniversary
July 2006

The Kearney County Courthouse cornerstone was laid on July 17, 1906. The building was made of Bedford stone with marble floors, stairways, and wainscoting. It is listed on the National Register of Historic Places and is a landmark on the “square” in Minden, Nebraska.

Dimensions of the building are 80 feet by 80 feet. It is three stories high, surmounted by a dome rising to a height of more than one hundred feet.

The honored tradition of decorating the courthouse with holiday lights dates back to 1915 and has given Minden the title of “The Christmas City.”
